

# WETLAND WALKS: GRADE 2

## FRIENDS OF SECOND MARSH EDUCATION PROGRAM

### Important Details

- **One portable washroom available on site at the drop off/pick up area ONLY.**
- To better facilitate the program, a ratio of **1 adult for every 6 children is advised.**
- A signed waiver form must be submitted on or before the start of the session.
- Friends of Second Marsh staff will have a cell phone and first aid kit.

### Payment Options

- Cost for the program is \$5.00 per student (includes GST).
- Payment in the form of a cheque is due to **Friends of Second Marsh** on the day of the tour. A receipt is sent in the mail if one is needed. Please let staff know.
- Schools that require an invoice to issue a cheque need to confirm the number of students attending the program with the Friends office prior to the date of the tour. An invoice will be emailed or sent to the school upon confirmation, and no refunds will be issued.

### GROWTH AND CHANGES IN ANIMALS

#### ACTIVITIES...

- Interpretive and observational hike through Second Marsh Wildlife Area.
- Discussion about different types of animals, behavioural characteristics and adaptations for survival.
- Comparison of animal teeth using various animal skulls.
- Discussion about the Monarch Butterfly and Frog life cycle.

#### OBJECTIVES MET...

- Identify and describe the major physical characteristics of different types of animals.
- Identify and describe behavioural characteristics that enable animals to survive
- Compare ways in which animals eat their food and use their environment to meet their needs.
- Describe changes in the appearance and activity of an animal as it goes through a complete life cycle.
- Describe ways in which animals respond and adapt to their environment
- And more...

Please remind your students to show respect for the Second Marsh Wildlife Area by keeping in mind the following motto

"Take nothing but pictures, and leave nothing but footprints".
